

FIRST AID

New Assessor Requirements

Changes to First Aid units in the Health Training Package will include new minimum standards for Assessor qualifications.

To assess *any* First Aid unit the assessor must have currency in Advanced First Aid as a minimum to meet the new requirements.

Australian First Aid offers a simple solution for trainers delivering CPR, Basic Emergency Life Support or other First Aid courses who don't have formal qualification higher than Apply First Aid.

Advanced First Aid for Trainers

This course takes into account the participant's First Aid experience as well as the relevant qualification areas for which their First Aid training is a component.

DURATION 1 Day of classroom practical scenarios and assessment with online learning and Advanced First Aid workbook to be completed prior to the practical day.

PRE-REQUISITE Participants must have current Apply First Aid before undertaking this course.

COST \$195 per person
